

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WISCONSIN**

KEVIN MICHAEL BOON-BEY, ASB,
a minor child, KMB, a minor child,
KMB, JR., a minor child, PIH, a minor
child, and SMB, a minor child,

Plaintiffs,

v.

AUDREY SKWIERAWSKI and RYAN
SANSON,

Defendants.

Case No. 19-CV-985-JPS

ORDER

On July 11, 2019, Plaintiffs filed their *pro se* complaint in this action. (Docket #1). On July 29, 2019, Defendants filed their answer. (Docket #5). Plaintiffs have filed several documents purporting to supplement their complaint. (Docket #3, #7, and #9). If Plaintiffs' intention with these documents was to amend the complaint, these documents are insufficient for that purpose. The supplements appear to include additional information or allegations, but they do not include a reproduction of the allegations from the original pleading that underlie Plaintiffs' claims.

As Plaintiffs were informed in the Court's trial scheduling order, Civil Local Rule 15 (E.D. Wis.) requires that "[a]ny amendments to a pleading...must reproduce the entire pleading as amended, *and may not incorporate any prior pleading by reference.*" Civil L. R. 15(a) (E.D. Wis.) (emphasis added). In other words, if Plaintiffs wish to amend their complaint, they may do so by filing a pleading that includes all allegations

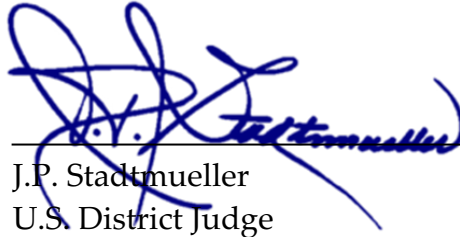

against all defendants in one single document. Because Plaintiffs' complaint supplements, *see* (Docket #3, #7, and #9), fall short on this requirement, they will be stricken from the docket. The original complaint, (Docket #1), is the governing pleading.

Accordingly,

IT IS ORDERED that Plaintiffs' supplements to their complaint *see* (Docket #3, #7, and #9) be and the same are hereby **STRICKEN**.

Dated at Milwaukee, Wisconsin, this 27th day of August, 2019.
